

# THE LOWRY Art Competition

## The Copley Prize

Inspire your children with LS Lowry. An opportunity for 4-11 year olds to see their work mounted next to that of LS Lowry!

Children aged 4-11 can now enter a prestigious art competition that could see their work exhibited next to LS Lowry's most celebrated works of art.

Judged by LS Lowry curator Claire Stewart, the annual winner of this prestigious prize each year receives:

- their art work framed professionally and hung in The Lowry Galleries alongside the work of LS Lowry for a full year
- a tour of The Lowry Galleries for their family
- a choice between a family ticket for a theatre show at The Lowry or a free art workshop for their school.

A runner up is selected each term (3 times a year) and entered into the annual competition, with their work featured on the online gallery.

## How to enter:

- Select paintings or drawings inspired by your child's experience of LS Lowry's work (maximum size A3 and limited to one entry per child).
- Ensure that the first name, age, school and title of work is stated clearly on the back of their work.
- Send your child's entry into school and we will do the rest!

## Terms & Conditions:

1. All 4-11 year olds (Key Stage 1 & 2) are eligible to enter.
2. Each drawing or painting should be inspired by the work of LS Lowry.
3. The maximum size for entries is A3 (29cm x 42cm). No digital copies.

**Be inspired online by looking at the work of LS Lowry or even take a trip to see his work person!**
