

British Values at St. Monica's Catholic Primary School

Democracy

St. Monica's School
Council meeting on
Monday 8th
December at 1pm.

In Summer 2015 our PSHE topic was 'Joining In and Joining Up'. The KS2 children studied:

- Rules and Laws
- The Local Courts
- Representation – local council
- Voting and debating
- Having a say in the school community
- Voluntary, community and pressure groups

Debating Club encouraged the children in KS2 to develop their ability to argue and defend a point of view.

Democracy is about ensuring that each person's voice is listened to. As part of our monitoring each Subject Co-ordinator conducts a survey of the pupils ... see Subject Reports.

Every opportunity is taken to highlight the development of democratic ideas.
