

# British Values at St. Monica's Catholic Primary School

## Rule of Law

PC Smith came to talk to Year 2 about her work.

Playing team sports offers many opportunities to discuss the need to respect rules and referees.

- Key Stage Assemblies use material from the BBC radio series: Something to Think About. The 'Making Choices' Assembly in April 2015 encouraged the children to consider what happens when people don't respect the rules? Is it just the person breaking the rule who is affected?
- At St. Monica's each class starts the year by making their own class rules. We use Golden Time to encourage everyone to follow the rules to make our school a happy place to learn.

Year 4 made a display of the Ten Commandments.
