

St Monica's Catholic Primary School Weekly Newsletter 21st April 2021

Dear Parents,

Welcome back to the Summer Term. As mentioned in the RE Newsletter sent yesterday we are celebrating Eastertide this Half Term. The children have settled back into school beautifully – with lovely behaviour and great work habits on show. Here's to a happy and successful term!

Contact Details

It is important that if you change your mobile phone number or move house you must communicate it to the school office ASAP so we can update it on our system. Thank you.

Health and Safety/Parking Reminders

- Keep to your time slot at the gates - don't let your child get mixed up with the bubble who are going into school in the earlier slot. Not only does it mean that the bubbles are mixing but it also potentially leaves children in school without supervision.
- Masks must always be worn at drop off and pick up times.
- Double parking on St. Monica's Close has caused problems recently. There are very few parking spaces available for parents dropping off their children on St. Monica's Close which is why we recommend that you use one of the three local car parks - St. Monica's Church car park on Broomfields Road, St. Mary Magdalene's car park on Bridge Lane, or the car park behind the pool at Broomfields Leisure Centre.
- Some parents/carers are still using the disabled bays outside school/Broomfield's Leisure Centre whilst dropping off/picking up their children. If you do not have a disabled badge please park in the regular parking spaces leaving the bays free for those who genuinely need them.

KS2 School Meals

Gentle reminder that your school meals ParentPay account should be in credit for meals required. A school meal is £2.40 a day.

Water Bottle

Each child should be bringing their own water bottle into school each morning and taking it home each night. Please ensure it contains only water, no juice.
