July 2023

Review of the Year

Congratulations to our Year 6 for completing their final year at St Monica's. It has been a fantastic year full of fun, engaging lessons and lots of humour. We've enjoyed some great stories together in our English lessons, from you all wanting to get a new chapter every day of Letters from the Lighthouse to find out what was going to happen next, to the chilling murders and manipulation of Macbeth.

Our class assembly in Autumn was a proud moment, and your understanding of the Kingdom of God has been clear through all our RE topics which followed. You have excelled in leading children's liturgy, with thoughtful and creative ways to respond to the Word. In PE, bench ball was the lesson of choice (and we did far more than our curriculum said we should!) We spent a lot of time working on developing our reading, grammar and maths skills, but your success in your SATs shows what hard work and perseverance can do – we are very proud of each and every one of you!

The Conway residential was a true highlight, and such a great way to end our year. You pushed through fears and anxieties to try new things, and encouraged your peers every step of the way. Your thoughtfulness as a class has shone through across the year: your organisation of Lenten Stalls, your care for your Reception buddies, your commitment to looking after the school and the library ...Class of 2023, we salute you!!
