Newsletter 15th March 2024

Dear Parents and Carers,

This week the children have been exploring further the British Value of democracy and understanding more about our local councillors, with the visit of the Lord Mayor of Warrington, Cllr Steve Wright. The Mayor came to St Monica's through the invitation of our School Councillors, who wanted to learn more about this role and its impact on our town.

The children were thoroughly engaged in the Lord Mayor's assembly, learning all about democracy and the role of the Mayor. The School Councillors and children from across the classes had the opportunity to ask the Mayor their own questions about his role. These ranged from "How is Warrington addressing the importance of the environment?" through questions about standing for re-election, what he was passionate about, to his favourite place and favourite children's book. The whole experience was a really valuable insight into the role of the Mayor and our local council in the support and running of our town.

A huge thank you to the School Councillors for coming up with this idea to explore further with the whole school and to Miss Service for helping the School Council by organising the visit.

Have a lovely weekend.

Mrs J Pearson
